## On D String

For clarity, fermatas are shown here only on the top staff. Fermatas appear in all parts.

(1) Low 1st finger for 'Cello, sometimes referred to as "backwards extension"

(2) Bases shift to 3rd position; check this pitch against open G

(3) D string, 3rd position, 2nd finger

(4) Violins & Violas play this pitch on the D string with 4th finger; check pitch against open A
